

Thaxted Rangers Football Club Summer 2011 Newsletter

No.2

With the football season now at an end – I should like to wish everyone a good summer break. However, before we say goodbye completely to the 2010/11 season, I hope you will be able to join us at this year's presentation day on 2nd July (details below and overleaf). With very best wishes.

**Colin Forsyth
Chairman**

Where it all starts...

In March this year, the Under 7 team played their first ever competitive match. Team manager, Martin Loomes, said "This has been a great first season; the boys have enjoyed the football and have really developed in such a short time. We are all really looking forward to next season"

Everyone at the club wishes them well for the future. Four of the boys have also been given the opportunity to go for trials for Colchester United over the summer, so a great end for their first year at Thaxted Rangers.

Discussions with the Parish Council

The club has met with the Parish Council and discussions regarding management of the Pavilion are continuing. There is currently nothing additional to report and as soon as we know more, we will let you know. However, the talks were very positive and we will continue to work with the Parish Council.

Good Neighbours

Please remember to show consideration both at home and at away grounds, when parking cars and in ensuring all litter is cleared up. Also, although it is not so much an issue in summer, muddy boots should not be cleaned by banging them against the pavilion wall! Thank you.

Easter Egg Update

A big thank you to everyone who joined in at the Easter Egg hunt on Friday 22nd April for making it such a success. The atmosphere was great and the weather was marvellous. Over £300 was made that day, money that will go straight back into the club to support football in Thaxted. 150 eggs were found, and goodness knows how many penalties were taken!

Registrations 2011/12

The Registration process for 2011/12 will soon be commencing. Please contact your team manager for details. To help with this process, there will also be a "Registrations Desk" at the Presentations Event on the 2nd July where forms can be completed and returned to the club.
