

# Thaxted Rangers

## Youth Football Club

### Training Top Offer

With support from our sponsors we are able to provide Thaxted Rangers team members the Stanno Mundial Windjammer training tops.

The tops will be embossed with the club badge along with the sponsors' logo on the front and each member will be able to personalise the back with either their full or abbreviated first name or nick name.

A small charge will be made for the personalisation but the tops will be the players to keep. This offer is strictly limited to one per team member; however, we are able to offer additional tops at the full price.

To order simply complete the form below and return it to your team manager.
